Athos F - Absorber

Fabric Absorber

As a new take on one of our trademark panels, Athos Fabric Absorber is a foam panel with a high-quality fabric finish that allows for copious new combinations – giving you top performance on a budget.

With a mid-high performance range, Athos Fabric Absorber brings a brand-new fabric solution to the Pro Audio & Broadcast scene.

Athos fabric is self-adhesive, providing straight-forward installation – in minutes you can transform your acoustics and have your room ready to use.
