## Loa SQR - Absorber

### Fabric Absorber

Loa Square is an acoustic panel, part of the Loa range. Loa is a fabric covered acoustic panel, sized at 595 x 595mm. Loa Square can be combined with different panels of the range allowing you to perfectly adapt the acoustic treatment to the characteristics of the room.

Made of high quality fabric Loa range comes with its own fixing solution, allowing it to be directly on the wall, and the option to be used with Artnovion's fixing systems to be compatible with Artnovion's full range of products.
